

# DAILY EXTRA

## Liquid soap with mild citrus scent

### Product properties

- for frequent washing of hands, body and hair
- colourant-free
- mild citrus scent
- gets rid of dirt fast and with ease
- contains skin emollients, vitamins A and E

Daily Extra liquid soap contains moistening and softening agents that regenerate the skin's lipid layer, as well as vitamins A and E, and skin protection components that also preserve the natural moisture balance in the deeper skin layers, maintaining the skin's collagen bond strength, natural softness and normal pH.

Ideal for use at medical facilities and in food industry also where frequent washing is required.

### Ingredients

aqua purificata, sodium laureth sulfate, sodium chloride, cocoamide diethanolamine, glyceryl, citric acid, vitamins A and E.

### Usage

Used as a concentrate. A small amount of soap is applied to wet hands, rubbed into a foam, and then rinsed off. Hygienic handwash lasts 40-60 seconds. To wash the entire body and the hair, the soap should be used after making a 1:2 dilution.
