

GLOBACID® AF

Alcohol-based rapid disinfectant for surfaces

ready-to-use solution

Product properties

- fast exposure time (30 sec)
- alcohol-based
- doesn't contain aldehydes and quarternary compounds
- doesn't leave residues on surfaces
- particularly suitable for hard-to-reach places
- convenient spray bottle

Globacid® AF is a ready-to-use disinfectant for rapid surface disinfection and it is suitable for use on all alcohol resistant surfaces. Solution doesn't leave residues on surfaces, thus it is suitable also for the disinfection of surfaces that contact food and food products.

Ingredients

isopropanol 60%, ethanol (denat.) 15%

Spectrum of efficacy
